

## **PROFILE:**

Munyaradzi Kadzimu is a certified Project Management Professional (PMP) and has been a member of PMI since 2016. He has volunteered for the PMI Zimbabwe Chapter, as Communications Manager and then as VP Marketing & Communications which was later restructured and he held the Marketing Portfolio (Sept '17 - May '19). He holds an MBA (ESAMI), Post Graduate studies in Project Management as well as Applied Strategy. He is also a member (MCIPS) of the Chartered Institute of Procurement & Supply (UK) with which he holds a graduate diploma and for which he part-time lectures. Currently he works with the international humanitarian association, Medecins Sans Frontieres / Doctors Without Borders as its Deputy Logistics Coordinator for the Zimbabwe Mission. His work experience is mainly in the fields of Project Management, Supply Chain Management as well Emergency Responses. He has previously worked for ZB Bank and Nampak Zimbabwe.
