

Mary Phiri Profile

Mary is a project management enthusiast and virtual assistant who is passionate about learning and development. She has over nine years' project contract management experience in the engineering industry and a stint in the construction and retail sectors.

She holds a Bachelor of Commerce in Financial Management and an Honours degree in Business Management from the University of South Africa as well as a Diploma in Information Systems for Business from London Chamber of Commerce and Industry. She also holds the Certified Associate in Project Management from the Project Management Institute.

Mary has served as a PMI volunteer for over four years, most notably as founding member and President of PMI Zimbabwe Chapter and PMI Africa Conference Review Committee Lead. She is currently the 2020 Shadow Region Mentor for PMI Sub Sahara Africa.
